Confirmation of Presentation

At my request, the agent whose signature appears below, visited me to determine my interest in applying for health insurance with American National Life Insurance Company of Texas. The agent informed me he was authorized to sell insurance for American National Life Insurance Company of Texas (the "Company"). The agent was courteous and fully explained to me all the provisions of the group insurance plan including benefits, exclusions, limitations, waiting periods, coordination of benefits and deductibles if any, and answered all my questions to my satisfaction.

Applicant and agent acknowledge that the agent asked each and every question on the enrollment application. The answers on the application are my truthful and complete answers with nothing left out that applicant in any way related or stated to the agent. I signed the application only after a full review of the questions and answers had been filled in. I, the applicant, fully understand and agree that if any material information is omitted from the application, it could provide the basis for the Company to deny future claims, refuse coverage and to refund premiums as though the certificate had never been in force.

The agent informed me that the amount of the initial insurance premium and one time administrative fee which I have delivered to him will be held by the Company. The agent informed me that in the event coverage is not approved, the initial premium will be refunded to me.

In signing this form, I agree that I have carefully examined and understand the materials provided to me and the application, and that neither the agent nor the Company is bound by any knowledge or statements made by the agent or me, unless set forth in writing in the application and receipt.

I acknowledge confirmation of presentation.

I understand that coverage is not effective unless and until approved as applied for by the Company.

This confirmation of presentation was provided along with a brief description of coverage which I received from the agent.

What is HIPAA?

HIPAA is the Health Insurance Portability and Accountability Act of 1996; it was effective July 1, 1997. HIPAA provides certain Americans guaranteed access to health insurance coverage regardless of existing health conditions.

Eligible Individuals are the only people who have guaranteed access to health insurance under HIPAA. Eligible Individuals must be replacing Creditable Coverage. Creditable coverage is replacement of: group sponsored health plans, individual coverage by state law, Medicaid, Medicare, plans sponsored by the US Military, Indian Health Service, a high risk pool, US Government employee plans, and Peace Corp plan. Creditable Coverage must have been in force for 18 months and be replaced within a 63-day period after it terminates (may vary by state).

HIPAA requires health insurance carriers to allow guaranteed access to certain plans (Federal Fallback) unless a state adopts an Alternative Mechanism. These include high-risk pools, guaranteed issue requirements for available plans or other methods to assure the access requirements for HIPAA are followed.
