8. Statement Of Preferred / Standard Rate Acknowledgement

If preferred rates are not applicable but all eligibility requirements are met, Anthem will offer me, or any member to be covered under this policy a standard rate. If a standard rate is determined by underwriting, or if one or more of the individuals listed on my application do not meet the basic eligibility criteria, please indicate below how you would like us to proceed.

Please continue with the enrollment process, subject to rate classification and eligible applicants. I understand that a lower rate may be available from the state's high-risk pool. If a lower rate is available, my producer or a representative from Anthem will contact me to discuss my options. Upon acceptance of the standard rate, I understand that I will receive a premium invoice from Anthem for the additional amount due.

If Anthem's standard rate is lower than the state's high-risk pool, I authorize Anthem to proceed with my enrollment and forward my membership materials to me.

Before continuing the enrollment process, please contact me either through my producer or directly for authorization to continue at the standard rate.

Do not continue the enrollment process at the standard rate.

9. Statement Of Premium Payment Acknowledgement

I understand that coverage most often becomes effective for eligible members on the first day of the month after submission of enrollment forms, provided that the Enrollment and Change Form and Health Statement form are completed accurately and in full, signed, dated and received by Anthem by the last day of the month prior to the effective date (unless the applicant requests a future effective date).

I understand that the submission of my enrollment forms are not a guarantee of coverage. Anthem will make the final determination about eligibility and rate classification by reviewing the information I submit.

Anthem may request further information about eligibility. If Anthem determines that I am not eligible for membership, I will be notified of the finding, coverage will not become effective.

If Anthem requests further information about eligibility and/or health status, my effective date of coverage may be delayed until Anthem receives all of the information requested. I will be notified of the effective date and any changes in premium offerings that may have occurred during the period of delay. If I do not respond to Anthem's request for further information within 24 days, coverage will not become effective.

NOTICE TO APPLICANT REGARDING REPLACEMENT OF ACCIDENT AND HEALTH INSURANCE

(Only applies if this is a replacement policy)

According to the information furnished by you, you intend to lapse or otherwise terminate your present policy and replace it with a policy to be issued by Anthem. For your own information and protection, certain facts should be pointed out to you, which could affect your rights to coverage under the new policy.

- (a) Health conditions which you may presently have, (pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in a claim for benefits being denied or reduced under the new policy, whereas the same claim might have been payable under your present policy. Or, even though some of your present health conditions may be covered under the new policy, these conditions may be subject to certain waiting periods under the new policy before coverage is effective.
- (b) You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.
- (c) If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical/health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, re-read it carefully to be certain that all information has been properly recorded.
- (d) Finally, before you terminate your present policy, be certain that your application for the new policy has been accepted by the replacing company.

Important: Please attach copies of any certification or other documentation of prior creditable coverage furnished by previous carriers or employers, if available. This will help us process your application.

I hereby authorize Anthem to institute the action indicated above. I understand that my Health Statement form is part of this application. To the best of my knowledge and belief, all of the information I provide is accurate and true. I will submit documentation of such to Anthem upon request. I understand that any significant misrepresentation or omission may cause Anthem to terminate or void my coverage, in accordance with New Hampshire law.
