SECTION 5: AGREEMENT AND SIGNATURE

- 1. TRUE AND COMPLETE:** My answers to the questions on this application and any additional information I have provided are true and complete and accurately recorded. I understand that under no circumstances is a producer or company representative allowed to permit me to answer any question inaccurately or untruthfully and I represent that such did not occur. The producer is not authorized to alter any terms of the Health Plan. I understand that I may not pay cash or make checks payable to the agent or broker, or leave the payee blank.
- 2. PRE-EXISTING CONDITIONS:** I understand that eligible expenses for pre-existing conditions may be limited.
- 3. EFFECTIVE DATE:** Except as provided in the Conditional Receipt, I understand that this insurance, if approved, will become effective the day after the confirmed receipt date the application and all required medical and other information is received by Celtic. Application is valid within 60 days from the signature date.
- 4. HEALTH INFORMATION.** I understand any medical conditions that occur after the signature date and before the effective date of the coverage, if approved, will be considered in the final underwriting decision. I am responsible for communicating any medical condition occurring during such period to the Underwriting Department at (877) 865-5478.
- 5. HEALTH CARE CERTIFICATION:** I understand that a Health Care Certification Program is a part of the Health Plan. This program requires me to have all hospital confinements, outpatient surgeries, and major diagnostic tests Certified. I understand that failure to do so will result in a reduction of my health plan benefits or no benefits paid at all. The Health Care Certification Program number is 1-800-477-7870.
- 6. OTHER COVERAGE:** I understand that in order to be eligible for this coverage, neither I, nor any dependents to be insured can be covered under any other major medical plan. I hereby attest that no one applying for coverage under the Health Plan will be covered under any other coverage.
- 7. PREFERRED PROVIDER ORGANIZATION:** I understand if I have selected one of the PPO plan options as part of my Health Plan, then I agree to participate and comply with all requirements of the PPO plan. I understand that I will maximize my benefits when treatment is received from a participating hospital (and physician, if the Select PPO plan is chosen) and that it is my responsibility to ensure that a PPO hospital (and physician, if the Select PPO plan is chosen) is near me. I understand this applies not only to myself, but to any dependent to be insured under this health plan.
- 8. APPLICATION:** I understand that I am applying as an individual for the Health Plan and am responsible for ensuring that all premium payments are met. I understand that Celtic will individually underwrite my application and that if my application is accepted by Celtic, a Health Plan will be issued to me. I understand that the plan applied for is not an employer-sponsored group health plan, that it will in no way be related to any employer/employee relationship, and it is not offered pursuant to and does not comply with state or federal small employer laws. If premium will be paid from a business/employer account, I hereby certify that no person to be insured under this plan will receive favorable tax treatment under sections 162, 125 or 106 of the United States Revenue Code, unless such favorable tax treatment would not make the plan subject to any state or federal small employer laws.
- 9. AUTHORIZATION TO RELEASE INFORMATION:** I authorize any physician, medical or health care practitioner, hospital, clinic, other medically related facility, insurance company, third party administrator, employer or consumer reporting agency having information regarding me and all eligible dependents, including information concerning advice, diagnosis, treatment or care of physical, psychiatric, mental or emotional conditions, drug, substance or alcohol abuse, illness or injury, and copies of all hospital records, medical records, pharmaceutical records or non-medical information, to give to Celtic Insurance Company, its reinsurers, or its legal representatives, and its affiliates, any and all such information. However, such information does not include psychotherapy notes (as defined by 45 C.F.R. §164.501). This information will be used by Celtic to determine eligibility for insurance and make benefit determinations. I understand that there is a possibility of redisclosure of any information pursuant to this authorization and that information, once disclosed, may no longer be protected by federal rules governing privacy and confidentiality. I understand failure to sign this authorization may result in the denial of my application for coverage or eligibility for benefits.

I understand that I can revoke this authorization, as described in Celtic's HIPAA Notice of Privacy Practices for Protected Health Information (PHI), at any time by giving written notice to Celtic and my revocation will not affect the rights of any individual who has acted in reliance on the authorization prior to receiving notice of my revocation. I know that I may request to receive a copy of this authorization. This authorization shall remain valid for two years from the date shown below. A photocopy of this authorization shall be considered as valid as the original.
- 10. HSA INFORMATION:** I understand that the health insurance plan is separate from the Health Savings Account (HSA) and the HSA is administered by someone other than Celtic. I understand the HSA has a separate maintenance fee.

Any person who knowingly presents a false or fraudulent claim for payment of a loss or benefit or knowingly presents false information in an application for insurance is guilty of a crime and may be subject to fines and confinement in prison.

Notice To Applicant Regarding Replacement of Accident and Sickness Insurance

According to your application you intend to lapse or otherwise terminate existing accident and sickness insurance and replace it with coverage to be issued by CELTIC INSURANCE COMPANY. Your new policy provides 10 days after receipt of the policy within which you may decide whether you desire to keep the policy. For your own protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under your new policy.

1. Health conditions which you may have presently, (pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present coverage. You should be certain that you understand all the relevant factors involved in replacing your present coverage.
3. The new policy may be issued at a higher age than your present coverage. If so, the cost may be higher.
4. If, after due consideration, you still wish to terminate your present coverage and replace it with new coverage, be sure to truthfully and completely answer all questions on the application concerning your medical/health history. Failure to include all material medical information on an application for all individuals applying for coverage may provide a basis for the company to deny any future claims and rescind coverage as though the coverage had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all information has been properly recorded.

You have received this notice because of your proposed or actual health insurance coverage with Celtic Insurance Company. Celtic is required by federal law to maintain the privacy of your Protected Health Information (“PHI”), and to provide you with this notice of its legal duties and privacy practices regarding your PHI. Celtic is required to abide by the terms of this notice as currently in effect, and reserves the right to change the terms of this notice and to make new notice provisions effective for all PHI that it maintains. Notice of any such changes will be provided to you.

1. Protected Health Information (“PHI”):

This notice describes how Celtic may use and disclose your PHI if needed, to carry out treatment, payment or health care operations, and for other purposes that are permitted or required by law. It also describes your rights to access and control your PHI, which is individually identifiable information that relates to your past, present or future health or condition and related health care services. Examples of PHI used by Celtic include, but are not limited to, your application for coverage and claims submitted by you or health care providers on your behalf.

2. Uses and Disclosures of PHI for Treatment, Payment and Health Care Operations:

Your PHI may be used and disclosed by Celtic for purposes of payment or health care operations. Celtic may use or share your PHI with providers for payment purposes. Celtic may share your PHI with third party “business associates” that perform various functions for the Company. Celtic maintains written agreements with its business associates contractually binding them to protect the privacy of your PHI. Celtic may use or disclose, as needed, your PHI to support the Company’s business activities related to providing health insurance benefits. These activities may include, but are not limited to, quality assessment, underwriting, premium rating, actuarial analysis, reinsurance, medical review, legal services, auditing, fraud and abuse detection, regulatory compliance, business planning and development, and general management and administration.

3. Other Permitted and Required Uses and Disclosures That May Be Made Without Your Consent, Authorization or Opportunity to Object:

Celtic may use or disclose your PHI in certain circumstances without your consent or authorization. These situations may include, but are not limited to, the following:

Required by Law: Celtic may use or disclose your PHI to the extent state or federal law requires use or disclosure. Any use or disclosure will be compliant with applicable law, and will be limited to the requirements of such law. Celtic will notify you of the uses or disclosures if the law requires such notification.

Public Health: Celtic may disclose your PHI to a public health authority for public health activities and purposes if applicable law permits the authority to collect or receive the information. Celtic also may disclose your PHI, when directed by a public health authority, to a foreign government agency that is collaborating with such authority.

Health Oversight: Celtic may disclose PHI to a health oversight agency for activities authorized by state or federal law, such as audits and investigations.

Abuse or Neglect: Celtic may disclose your PHI to a public health authority that is authorized by law to receive reports of child abuse or neglect. Furthermore, Celtic may disclose your PHI to the governmental entity authorized to receive such information, in accordance with state or federal law, if the Company reasonably believes that you have been a victim of abuse, neglect or domestic violence.

Legal Proceedings: Celtic may disclose PHI in the course of judicial or administrative proceedings, in response to a court order or administrative tribunal, to the extent such disclosure is expressly authorized, and in response to a subpoena, discovery request, or other lawful purpose.

Military Activity and National Security: Celtic may use or disclose PHI of individuals who are Armed Forces personnel (1) for activities deemed necessary by appropriate military command authorities; (2) for the purpose of a determination by the Department of Veterans Affairs of your eligibility for benefits; or (3) to a foreign military authority if you are a member of that foreign military. Celtic also may disclose your PHI to authorized federal officials for conducting national security and intelligence activities.

4. Other Permitted or Required Uses and Disclosures That May Be Made With Your Consent, Authorization, or Opportunity to Object:

Celtic may use or disclose your PHI in certain circumstances with your consent, authorization or if you have no objection. You have the opportunity to agree or object to the use or disclosure of all or part of your PHI. If you are not present or able to agree or object to the use or disclosure of your PHI, then Celtic may determine, using professional judgment, whether such use or disclosure is in your best interest. If such circumstances arise, only the PHI that is necessary and relevant to the provision of your health insurance benefits will be disclosed.

EOBs Sent to Primary Insured: Unless you object and instruct otherwise, all explanations of benefits (“EOBs”), including for all covered family members and eligible dependents, will be sent to the primary insured person.

5. Uses and Disclosures of PHI Based Upon Your Written Authorization:

Celtic may engage in other uses and disclosures of your PHI upon receiving your written authorization. You may revoke an authorization, in writing, at any time, except to the extent that an action has been taken in reasonable reliance on the use or disclosure indicated in the authorization.

6. Your Rights:

The following is a description of your rights with respect to your PHI and a brief description of how you may exercise those rights.

Inspect and Copy Your PHI: You may obtain and inspect a copy of your PHI that is in a designated record set for as long as Celtic maintains it. However, federal law prohibits Celtic from allowing an inspection or copy of psychotherapy notes; privileged information compiled in reasonable anticipation of or use in a legal proceeding; or PHI that is subject to a law which prohibits its access. If you wish to receive a copy of your PHI, your request must be made using Celtic’s “Medical Records Request” form. You may request this form by submitting a written request to Attn: HIPAA Records Request Department, Celtic Insurance Company, 233 S. Wacker Dr., Suite 700, Chicago, IL 60606. Note that there is a fee of \$25 per provider that must be received by Celtic from you before records will be released. Since your health care providers are the original source of this information, and they may or may not charge a fee for copies, you may wish to request this information from your provider(s) before requesting it from Celtic.

Place a Restriction on Your PHI: You may request that Celtic not use or disclose your PHI. Your request should be in writing, it must state the specific restriction requested, and it must state to whom the restriction applies. Your request should be sent to: Attn: Policyowner Service Department, Celtic Insurance Company, P.O. Box 33839, Indianapolis, IN 46203-0839. Celtic is not required to agree to a request for such a restriction, but will deny such a request only for a reasonable reason and will provide a written explanation of the reason for the denial. If Celtic agrees to the restriction, it may still disclose your PHI as permitted by law, or if your restricted PHI is needed for emergency medical treatment.

Alternative Means of Receiving Confidential Communications: You have the right to request that Celtic send and/or receive confidential communications by alternative means or to an alternative location. Celtic will accommodate your reasonable requests. Your request should be sent to: Attn: Policyowner Service Department, Celtic Insurance Company, P.O. Box 33839, Indianapolis, IN 46203-0839.

Amend Your PHI: You may request an amendment to your PHI in a designated record set for as long as Celtic maintains this information. Your request must be in writing, provide a reason to support the requested amendment, and sent to Attn: HIPAA Records Request Department, Celtic Insurance Company, 233 S. Wacker Dr., Suite 700, Chicago, IL 60606. In certain circumstances, Celtic may deny your request for an amendment. If Celtic denies your request for an amendment, you have the right to submit a statement of disagreement and Celtic may prepare a rebuttal to your statement. Celtic will provide you with a copy of any rebuttal. Since your health care providers are the original source of this information, you may consider making a request to amend your PHI directly to the individual providers.

Receive an Accounting of Certain Disclosures: You have the right to request an accounting of disclosures Celtic has made of your PHI. However, this right does not include any disclosures Celtic has made for purposes of treatment, payment or healthcare operations as described in this notice, nor does it include disclosures made for notification purposes. Please note that at the current time Celtic does not disclose PHI for any reason other than treatment, payment or healthcare operations.

Complaints: You have the right to voice a complaint to the U.S. Secretary of Health and Human Services if you believe your privacy rights have been violated. You also may file a complaint with Celtic by sending it to Attn: HIPAA Privacy Officer, 233 South Wacker Drive, Suite 700, Chicago, IL 60606. Celtic will not retaliate against you for filing a complaint.

Disclosure of Celtic Insurance Company's Rating Practices,
Including the Use of Duration

Current and future premium rates are important considerations when choosing to buy individual health insurance. Celtic Insurance Company may use the following factors when premium rates are set: the prevailing cost of health care, age, gender, duration, health status, medical trend, geographic area, plan benefits (including optional benefits), and the number of family members covered. Using current actuarial assumptions, your policy is scheduled to receive the following durational increases at the following intervals:

MONTH / INTERVAL	DURATIONAL PERCENTAGE INCREASE OVER NEW BUSINESS
25 th	2%
31 st	9%
37 th	17%
43 rd	25%

The use of duration as a factor reflects the fact that the initial underwriting wears off over time. As a result, the above increases are designed to reflect this actuarial phenomenon. The use of duration allows for rates to track more closely to actual experience losses over time. If duration were not used, then initial rates would be less affordable and new business rates would be higher. Similarly, renewal rate increases over time likely would be less if durational factors were not used.
