Payments

Network providers agree to accept amounts negotiated with Humana as payment in full. The member is responsible for any required deductible, coinsurance, or other copayments. Plan benefits paid to non-network providers are based on maximum allowable fees, as defined in your policy.

Non-network providers may balance bill you for charges in excess of the maximum allowable fee. You will be responsible for charges in excess of the maximum allowable fee in addition to any applicable deductible, coinsurance, or copayment. Additionally, any amount you pay the provider in excess of the maximum allowable fee will not apply to your out-of-pocket limit or deductible.

Network primary care and specialist physicians and other providers in Humana's networks are not the agents, employees or partners of Humana or any of its affiliates or subsidiaries. They are independent contractors. Humana is not a provider of medical services. Humana does not endorse or control the clinical judgement or treatment recommendations made by the physicians or other providers listed in network directories or otherwise selected by you.

Medical limitations and exclusions

This is an outline of the limitations and exclusions for the HumanaOne individual health plan listed above. It is designed for convenient reference. Consult the policy for a complete list of limitations and exclusions. Your policy is guaranteed renewable as long as premiums are paid. Other termination provisions apply as listed in the policy.

Eligibility

The issue ages for HumanaOne individual health plans are two months to 64.5 years. The maximum age for a dependent child is until the end of the calendar year that the dependent turns 25, as long as the dependent lives in the household of the policyholder or is a full- or part-time student.

Coverage may be available for a non-dependent child who does not live in the policyholder's household until the end of the calendar year that the non-dependent child turns 30, as long as the non-dependent child is unmarried, has no dependents of his/her own, resides in the state of Florida or is a full- or part-time student, and is not covered under any other health insurance.

Pre-existing conditions

A pre-existing condition is a sickness or injury which was diagnosed or treated, or which produced signs or symptoms that would cause an ordinarily prudent person to seek medical advice, care or treatment, during the 24-month period before the covered person's effective date of coverage. Routine follow-up care to determine the reoccurrence of breast cancer does not constitute medical advice, care or treatment. Benefits for pre-existing conditions are not payable until the covered person's coverage has been in force for 12 consecutive months with us. We will waive the pre-existing conditions limitation for those conditions disclosed on the application provided benefits relating to those conditions are not excluded. Conditions specifically excluded by rider are never covered.
